25	60	105	205	205
20	75	250	—	—
15	100	—	—	—
10	240	—	—	—
5	—	—	—	—

Temperature of working environments	25°C	20°C	15°C	10°C	5°C
Wearing time (min)	60	75	100	240	-

These garments comply with the essential health and safety requirements of PPE Regulation (EU) 2016/425 and the above referenced standards.

LIMITATIONS OF USE:

This garment is a conspicuity aid. Always wear the garment fastened at all times. KEEP CLEAN to ensure maximum conspicuity. Regular comparison against a new garment is recommended. DO NOT modify or alter the garment. Replace if permanently stained or faded.

AFTERCARE:

See instructions on garment label. Liability will not be accepted where the care label has been ignored, neglected, defaced or removed.

STORAGE AND TRANSPORTATION:

Always store in clean, dry conditions. DO NOT store in places subject to direct, strong sunlight. This garment is suitable for transportation as supplied by the manufacturer.

GARMENT DISPOSAL:

This garment is suitable for disposal via landfill or municipal waste incineration in accordance with European standards, provided they have not been contaminated with hazardous substances. For more information contact your local environmental officer.

The stated maximum number of cleaning cycles is not the only factor related to the lifetime of the garment. The lifetime will also depend on usage, care storage, etc.
