Supertouch Footwear offers optimal safety whilst still catering to your comfort needs. Offering 200J fibre glass toe caps and slip resistance to take you through diverse environments including risk assessed tasks from a range of hazards.

ABOUT THIS PRODUCT

Our APX70-FG Safety Trainers are packed with attributes enhancing performance and durability making them ideal for those working in demanding environments. Featuring the SPINON™ quick lace system offering ultimate adjustability on the go - even when wearing gloves - a highly abrasion resistance, breathable upper and a high-rebound EVA midsole, these lightweight safety trainers provide long-lasting, all day comfort. Additionally, these trainers are metal-free and ESD rating meaning they are safe to use in workplaces where a build up of electrostatic charge could create a hazard or damage electrical components.
