PRODUCT INFORMATION

APX70-FG Safety Trainer

Description:

Our APX70-FG Safety Trainers are packed with attributes enhancing performance and durability making them ideal for those working in demanding environments. Featuring the SPINON™ quick lace system offering ultimate adjustability on the go - even when wearing gloves - a highly abrasion resistance, breathable upper and a high-rebound EVA midsole these lightweight safety trainers provide long-lasting, all-day comfort.

Additionally, the APX70-FG Safety Trainers are metal-free and ESD rating meaning they are safe to use in workplaces where a build up of electrostatic charge could create a hazard or damage electrical components.
