

GRIP₂O THERMAL GLOVES

SIZES: Small - XLarge

CODES:

SPG-22411-5

COLOURS:

 Blue

ABOUT THIS

Our Grip20 thermal winter gloves featuring a 13G polyester shell and a 7G terry brushed liner that delivers superior warmth and comfort for cold conditions. The double-dipped latex coatings provide exceptional water resistance, while the micro-foam latex ensures an outstanding grip, even in wet, slippery environments. These gloves are designed to keep your hands warm and dry during winter tasks, offering both insulation and durability in cold conditions.

APPLICATIONS

Construction, Landscaping, Logistics, Rail, Shipping Ports, Utility Operations, Warehousing, Manufacturing, Cold Handling, Wet Handling, Intermittent Contact Heat.

Cold Protection

Excellent Grip

Contact Heat Resistance

Water Repellency
