EN ISO
20471:2013

Colour complies
with RIS-3279-TOM
ONLY

These garments comply with the essential health and safety requirements of PPE Regulation (EU) 2016/425 and Personal Protective Equipment by the PPE Regulation 2016/425 (as retained in UK and amended)

LIMITATIONS OF USE:

The garment should be worn fastened at all times to provide the correct level of protection as stated above. DO NOT modify or alter the garment. This garment must be kept clean to remain effective, replace if permanently stained or faded. This garment is a conspicuity aid. Regular comparison against a new garment is recommended.

AFTERCARE:

See instructions on garment label. Liability will not be accepted where the care label has been ignored, neglected, defaced or removed. The stated maximum number of cleaning cycles is not the only factor related to the lifetime of the garment. The lifetime will also depend on usage, care, storage etc.

STORAGE AND TRANSPORTATION:

Always store in clean, dry conditions. DO NOT store in places subject to direct, strong sunlight. If the garment becomes wet allow to dry at room temperature before storing. This garment is suitable for transportation as supplied by the manufacturer.

GARMENT DISPOSAL:

This garment is suitable for disposal via landfill or municipal waste incineration in accordance with European standards, provided they have not been contaminated with hazardous substances. For more information contact your local environmental officer.
