

SUPERFIT ECO Nitrile Micro Foam

Black/Grey

S/7-2XL/11

SPG-70161-5

COLLECTION

Experience ultimate comfort with our SUPERFIT ECO gloves part of our Blue Sphere commitment to design and manufacture, Made from 100% recycled yarns. The design and yarns used reduce the CO2 on every pair made. These gloves are all GRS certified offering exceptional performance while supporting a sustainable future.

ABOUT THIS PRODUCT

15 Gauge Nitrile Micro Foam coated gloves provide eco-friendly protection, utilizing 2.6 recycled PET bottles per pair. The soft, lightweight liner and ergonomic design offer maximum comfort and reduced hand fatigue. The extended knitted cuff blocks dirt and debris. Micro foam nitrile coating ensures good grip, excellent abrasion resistance, breathability, and touchscreen compatibility.

CERTIFICATION
